**Comment of the music group:**

I am writing to express my sincere thanks for all your help with organising Taunton Concert Band's recent tour to Munich. Each step of the way was meticulously planned and everything just ran so smoothly. Our guide Lillian certainly knew her way around Munich and her knowledge of the history of Munich was second to none. We all learnt so much. The concert venues were excellent. One of our favorites was Oberammergau, which had such a fantastic atmosphere and setting. I don't think any of us will forget our guided tour of the "Castle of Nymphenburg Munich" our first visit of the tour, truly wonderful. Castle Neuschwanstein has to be seen to believe and Lillian once again came in to her own adding her knowledge to the tour. The accommodation and food throughout our tour was excellent.

Thank you also for organising the hire of the music stands and drum kit, this made the journey over so much more hassle free. We will certainly be using your professional service again for our next tour. I have attached some pictures and will be sending a DVD of more for you to use as you wish. Please pass on our best wishes to Lillian and everyone who made our trip so memorable. **(Taunton Concert Band, Sommerset, UK)**
